"Our pricing stems from an \$80/hour base rate and is tied to the total duration of all videos for the advertising campaign"

RATE CARD 2024

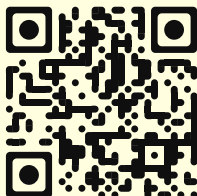

duration	price
Up to 1 min	\$500*
1-2 min	\$800
2-5 min	\$1100
5-10 min	\$1400

> not including percentage fees

*The \$500 minimum rate, a starting point for color grading session, covers foundational elements such as project setup, equipment calibration, and the creation of a precise grading plan tailored to the specific needs of the video. This ensures the allocation of necessary resources and time for the highest quality outcomes, regardless of the video's duration

- Specialized services like face retouching, cleanup, upscaling, noise reduction, and specific format creation will incur extra costs
- Quick color test is available for two shots, totaling no more than 5 seconds, at \$80, allowing a real-world test for your project's needs
